

Graduate and Professional Student Government

2016-2017 Long-Range Plan

Mission Statement of the Executive Board

To empower Pitt's graduate and professional students to maximize their opportunities and impact by fostering a sense of community both within the University of Pittsburgh and the local community.

Goals

Fostering a sense of unity within the University by promoting the interests of our student body

- Opening channels of communication between GPSG and the students we represent
- Developing a method of institutional memory
- Centralization of student resources
- Connecting students through social programming

Expanding our students' impact on the community

- Encouraging students to participate in advocacy and professional development
- Bridging the graduate and professional community to the local community through service and collaboration
- Standing as a voice of progress and innovation among academic institutions

Supporting the Year of Diversity and Inclusion

- Promoting and supporting programming efforts focused on sharing diverse experiences and perspectives
- Ensuring the entire graduate and professional community is heard and represented
